

Arrowhead United Way Recognizes Physicians of Beaver Medical Group for Donation

San Bernardino, CA, February 23, 2011 – Beaver Medical Group presented a \$5,000 donation to Arrowhead United Way that will be used to fund programs in its service area focused on education, income, and health. Michael Leong M.D., Chair of the physician's Community Services Committee, stated the physicians of Beaver Medical Group are charged with improving the quality of life in the Inland Empire and are proud to support local charitable organizations such as Arrowhead United Way.

Arrowhead United Way programs include dental and vision care for children from low-income families, access to affordable health care for working families with children, hospice care, and counseling for families and victims of violence. The contribution will also help to provide affordable legal services for low-income families and support programs to prepare young adults for employment and long-term financial stability.

AUW is a volunteer driven organization that actively supports health and human services by focusing on education, income, and health. These services address the underlying causes of the community's issues and create lasting change. The organization was established in 1891 and is led by prominent respected community leaders; it is one of the oldest United Ways in the country.

AUW encourages individuals to become more involved in the community by giving, advocating, and volunteering. For more information about how to become involved with AUW, please call (909) 884-9441 or visit www.ArrowheadUnitedWay.org.
